## **PMSL O-40 NOTES**

### **General**

The standings system used will be based on a 10 point system.

A win will be worth 6 points, a tie 3 and a loss zero.

In addition each of the first 3 goals your team scores will be worth 1 point each & a shut-out will be worth 1 point. Thus the 10 points maximum per game.

A zero zero game will thus be worth 4 points to each team,

3 for the tie and 1 for the shut-out. A forfeit win will be worth 10 points.

AGD is Adjusted Goal Difference which only allows for 3 goals difference per game.

A win will be worth 3 points, a tie 1 and a loss zero.

Team Standings are determined based on the following criteria

Total Points

Head to Head results

Goal Difference

Goals Scored

Reminder: for each match the two teams scheduled to play each other are to split the payment for the 3 certified officials, payment is \$ 170.00. If two officials call the match, payment is \$ 140.00 and if one official calls the match, payment is \$ 100.00.

Clarification: upon completion of the fall season, players will not be allowed to play for any other team in the playoffs other than the team the player was rostered on for the fall. Absolutely no stacking teams for the playoffs.
