

## **Pittsburgh Masters Soccer League - Over 40**

---

April 9, 2008

Attached is an example of the new roster and player ID cards as generated from the 2008 online registration system. This is the format we require referees to check.

Note that all ID cards must be laminated and have the PAWest Adult Soccer 2008 sticker attached.

Roster format must be generated from the online registration system and must have the PAWest Adult Soccer 2008 sticker attached and a PAWest signature stamp. These will only be attached when players are completely paid in the system.

Thanks
